## £20m boost for town

• The Didcot skyline

DIDCOT'S new 'Garden Town' status could mean a £20 million infrastructure boost.

Government housing minister Brandon Lewis toured Great Western Park housing estate and sites earmarked for investment on Monday before announcing Didcot is to become

By **Loughlan Campbell**

a 'Garden Town' in a presentation at Cornerstone Arts Centre.

The town's new status means developments including a proposed £35m bridge in west Didcot over the railway line and a £12m northern perimeter

road link could be given a funding boost and fast-tracked through the planning system.

Minister Mr Lewis said: "What this status means for the town is that it will get Government assurances in terms of developments, making it easier for the funding of projects in this area.

"Currently, there are 400 homes being built a year in Didcot and that's a strong, steady intake, but we are determined to build more houses and the local councils here are very much pushing the Government on bringing in these houses and the developments this town needs."

Bicester became a 'Garden Town' last year and was granted £20m by Government for infrastructure.

About 15,000 houses are already allocated for Didcot in South Oxfordshire District Council's Local Plan

# Man charged with murder after Poundland stabbing

By Alex Ballinger

A 36-YEAR-OLD man is due at Oxford Crown Court tomorrow charged with stabbing another man to death in Abingdon's Poundland store on Monday.

Trevor Joyce, of Franklyn Close, Abingdon, appeared at Banbury Magistrates' Court yesterday after being charged with murder on Tuesday night.

The victim has been named by police as 61-year-old Justin Skrebowski, from Oxford.

He was a customer in the bargain shop in Bury Street when he was attacked at about 11.20am in front of horrified shoppers.

Two witnesses inside the shop, who asked not to be named, described the attacker shouting and swearing as he seized two knives from a shelf.

He then allegedly said 'You got

what you deserve' and attacked Mr Skrebowski, before leaving and waving a knife in the face of an elderly man sitting on a bench outside the shop.

**“He threw down the knife and the police were shouting at him”**

Rachel Steptoe was working in the Superdrug cosmetics store opposite Poundland when a customer came in saying someone had been stabbed.

She said: "There was a man shouting at another man sitting on a bench. He was just saying

'Talk to me' and he had a knife waving in his face.

"We just watched him and I think he started walking through the precinct.

"We got people to come in our shop for safety and locked up after letting people in."

The suspect was chased through Abingdon town centre by an off-duty police officer before he was tasered and pinned down outside the Spar shop in High Street.

Molly Mason, 17, who works at Coffee Aroma café in High Street, said: "I saw someone run past me shouting and yelling. He had two knives in his hands.

"He was saying 'Everybody made me do it'. I went in the bank and when I came back out police cars were coming past, there were a lot of people chasing after him trying to stop him.

"He was shouting at me, he was swearing, shouting things that I do not wish to repeat."

Caroline Choularton, manager of Outdoor Traders in High Street, said: "I saw a guy coming through the precinct, brandishing a knife. I saw him come round yelling and screaming on the High Street.

"The police had already been called by the time I went to call them. They were telling him to let go of the knife. He threw down the knife and the police were shouting at him, telling him

to get down on his knees. They turned him over and sat on him."

Flowers have been left in tribute to Mr Skrebowski outside Poundland.

In a post mortem into his death on Tuesday, a pathologist gave the cause of death as stab wounds.

A spokesperson for South Central Ambulance Service. Michelle Archer, said the man died at the scene.

Bury Street was cordoned off by police officers and its shops were closed on Monday, but they all reopened on Tuesday with the exception of Poundland.

Poundland is due to reopen today for the first time since the incident.

Superintendent Rory Freeman, the new local police area commander for Abingdon, said: "A man tragically lost his life and I know it will take some time for the community to come to terms with what happened.

"This was a shocking incident, but I am proud of how the community has come together in response."

He added: "I would like to take this opportunity to thank the members of the public who responded so bravely to the incident, in particular the nurses nearby who came to help, Poundland staff and customers and the staff of Santander bank.

"I would also like to commend the off-duty police officer who apprehended the man who was arrested."

Poundland CEO Jim McCarthy said: "We are naturally shocked that one of our customers was attacked and has subsequently, despite the best efforts of

colleagues, customers and paramedics, sadly passed away. Our sympathy and thoughts centre on the family of the deceased and of course with other customers and colleagues who were in the store."

## News Bites

### Flood scheme

**OXFORD:** A budget of £928,000 was granted approval by Oxford City Council to help fund a project to prevent flooding to local homes.

The funds will support the Northway and Marston Flood Alleviation Scheme which is expected to cost just over £4m, with the Environment Agency and Oxfordshire Local Enterprise Partnership providing the remainder of the funding.

The project is expected to prevent the risk of flooding to about 110 properties that are currently in danger.

### £8.4m pledged

**OXFORD:** The city council has pledged £8.4m to aid the development of Oxpens Delivery Strategy to the next stages.

Oxpens is a council proposal which will redevelop the West End of Oxford in a move to deliver 300 new homes and support over 1,000 jobs.

The council voted through the funding at a full council meeting on Monday to help fund the project which is expected to get under way next year.

### Business robbed

**OXFORD:** Robbers stole cash from the till and electronic equipment at a business premises in Banbury Road, Summertown.

Three men pulled up at the shop at 11am and demanded entry to the back room and locked cabinets.

They also took personal items from the staff and shut the door on them in the toilet.

The men made off in a large dark-coloured, saloon-type vehicle northwards on Banbury Road.

# Tories ditch Labour scheme for Hadden Hill sports fields

PLANS to build sports pitches and a pavilion at Hadden Hill on the edge of Didcot have been scrapped, a councillor has claimed.

Didcot Town Council held talks with South Oxfordshire District Council in January about the £1 million scheme to buy 25 acres of land off the A4130 for the sports facilities.

But the scheme which had been put forward by the town council's previous Labour administration has now been dropped by the Conservatives after they took over control of the council in May's elections.

By Loughlan Campbell

Tory town councillor Bill Service said: "In regards to the plans for the sports pitches, the Conservatives have no ambitions to build them on that site."

"It's not the town council's responsibility and we are of the opinion that SODC will come up trumps and provide us with our own facilities."

Plans for a sports centre with playing fields, a swimming pool, a secondary school, two primary schools, and 2,000 homes on a 350-acre site off the A4130 opposite Ladygrove, called the North

East Didcot development, are due to be decided by SODC early next year. Officers have yet to make a recommendation.

Cllr Service added: "We've got to consider the facilities we can get from this development. It would make no sense to press on with the former plans when we're due to get a leisure centre with these facilities."

Fellow Tory member Tony Harbour said: "It would cost the council a great deal of money. It wouldn't be worth it whilst we'd get these facilities elsewhere."

But Labour councillor Margaret Davies said she understands

the plans are 'on hold' because the town council is waiting on a report from SODC about Didcot's sports provision.

She said: "The Conservatives have never made the decision to stop the project. It's been on hold since SODC haven't carried out the study, which has been delayed for years."

"It's because of this that the plans have now stalled."

Fellow Labour councillor Des Healy said: "SODC have been holding up the plans for years. Once this study takes place, we will press ahead with the plans. The current admin-

istration will absolutely have to consider them, whether they like it or not."

Labour had a five-seat majority on the town council until May when the Tories won 17 of the 21 seats. The town council had voted in support of the Hadden Hill plan by 12 votes to eight at a meeting in April last year.

SODC officers have set a target date of next Thursday for their recommendation on the North East Didcot development.

But a decision on the scheme is not likely to be made by councillors on SODC's planning committee until next year.

It starts at 10am and includes homemade soup lunches from 1pm, a children's festive craft fun session from 2pm to 4pm, and access to the belltower from 3pm to 5pm.

### Walk for charity

**DIDCOT:** Residents can join with staff from Didcot's Sainsbury's store for a festive 14-mile walk on Sunday to raise money for fundraising organisation Play2Give.

It is hosting the event with Sainsbury's to raise money for the Sue Ryder Hospice in Nettlebed, near Henley, and Oxford Children's Hospital.

The walk will start from Sainsbury's at the Orchard Centre and finish at the hospital at the John Radcliffe Hospital site off Headley Way, Headington.

Barry Kellett, of the Science and Technology Facilities Council, will discuss the star that guided the three wise men to Jesus in the Old Testament at 7.30pm.

## Cash boost to come with Didcot's 'Garden Town' status

• From front page

until 2031, but the new status is expected to help fund infrastructure to support the homes.

The two key schemes mooted to benefit from the money are the £35m bridge earmarked in Vale of White Horse District Council's Local Plan to link the Didcot Power Station site over the A4130 to the Great Western Park housing development - and dubbed the 'Science Bridge' - and the plan for a bypass from the A4130 at Hadden Hill near Hadden Hill Golf Club to link up with the A4130 at Ladygrove.

About 20,000 high-tech jobs are also earmarked at Harwell

Science and Innovation Campus, Milton Park and in Didcot's new 'Enterprise Zones', announced by the Government on November 25.

Oxfordshire County Council leader Ian Hudspeth said: "This status means that the town is a priority when it comes to getting Government investment."

"I understand it's not just about building houses, but about developing a community and I feel that with the current infrastructure Didcot has, this will only go on to improve that for its residents."

But Cllr Hudspeth could not give a timescale for when these projects would get under way.

The bid to Government for 'Garden Town' status came from the South Oxfordshire and the Vale district councils working with OCC and Oxfordshire Local Enterprise Partnership.

SODC leader John Cotton also announced the three councils are working together on a £1 billion deal of investment in transport projects in the next 20 years across Oxfordshire

which would see a major revamp of Didcot Parkway railway station.

He said: "These plans are all about driving for growth so we can bring in the investment needed for this area. Residents need to feel like they are living somewhere special and this will help."

"Didcot is our main growth area in South Oxfordshire and we want to ensure that we do everything possible to support the quality of life for the people who live here."

Matthew Barber, the Vale council leader, said: "This will encourage jobs, better transport links, improved facilities and infrastructure for everyone."

## Partnership unveils £31m county plan

A £31 MILLION plan has been unveiled by Oxfordshire Local Enterprise Partnership (LEP) to look at environmental investment in the county's future.

The economic development organisation launched its plan at the Earth Trust in Little Wittenham yesterday.

The Oxfordshire's Strategic Environmental and Economic Investment Plan (SEEIP) has been developed to support Oxfordshire Strategic Economic Plan (SEP).

The SEP, developed with all six Oxfordshire councils, is aiming to bring in and create 85,600 jobs and 100,000 homes in the county by 2031.

Oxfordshire LEP's SEEIP identifies five strategic priorities for environmental investment.

These are to grow the green economy in the county, enhance the quality of urban areas, improve management to reduce flood risk, promote access to the countryside and try to engage people about the environment.

# Tributes paid to 'angel' after Didcot train death

FRIENDS have paid tribute to a missing Oxford woman believed to have been killed by a freight train at Didcot Parkway.

Debbie Yalcin, 51, had gone missing from the John Radcliffe Hospital, Headington, at about 7.20am on Thursday, sparking a police appeal to find her.

However Thames Valley Police called off the search after a woman was struck by a train in Didcot later that day at about 11am.

Police confirmed on Thursday afternoon they believe the

By **Loughlan Campbell**

woman was Ms Yalcin and her next of kin had been informed.

Joyce McKay posted on Facebook: "No words can express what's in my heart. Debbie was the best of people, I loved her dearly and she lit up my life."

"She gave so much of herself to her family and others. She was a true healing angel in every sense of the word."

Leslie Joy Rhoades wrote: "Debbie was such a shining light, full of life and laughter. My heart goes out to her beautiful family."

And Jenny Ibrahim said: "She was an inspiration and touched many people's lives helping them back to health, psychically, emotionally and spiritually."

British Transport Police were called to the station at about 11.15am and spokesperson Sarah Buxton confirmed at midday the victim was pro-

nounced dead at the scene.

Witnesses say they believe she might have jumped in front of the train at 11am.

Andrew Staal was waiting on the opposite platform to the incident when it happened.

He said: "I was just watching something on my iPhone but then I heard this big noise and it seemed like something huge was occurring as suddenly we were being asked to leave the platform straightaway."

"I asked what had happened and they just said a woman had

jumped. I looked over and just had to look back."

His friend, Jacob Burnett, who was travelling with him to Bristol, said: "I'm quite shaken up by it."

Alison Prewett, who arrived by train shortly after the incident, said: "I was told by the train manager that a woman had jumped in front of the train."

As of yesterday, police had not yet formally identified the body and an inquest has not yet been opened.

## Honour crime report says police force is 'unprepared'

THAMES Valley Police is 'completely unprepared' to tackle honour-based crime, a report published by Her Majesty's Inspectorate of Constabulary on Tuesday (HMIC) has ruled.

HMIC said that the force is one of just three nationwide that was considered 'not yet prepared'.

It is part of the HMIC's report into honour-based violence, a term referring to the practices used to control the behaviour of women and girls to protect supposed cultural and religious beliefs.

HMIC's report stated that Thames Valley is not prepared to deal with this area of crime in its four inspection areas of leadership, awareness and understanding, protection, and enforcement and prevention.

In response, Thames Valley Police has said that since the inspection was carried out, they have taken "significant steps" to improve its preparedness.

This has included further training for staff and officers, and investing in additional training for those in specialist protection roles.

# Syrian refugees to arrive in city

TWO Syrian refugee families are due to arrive in Oxford this month, it was revealed on Friday.

A pilot scheme to house 10 families fleeing the war in Syria was announced in September and Oxford City Council submitted a bid to the Home Office to trial the plans.

By **Loughlan Campbell**

However, according to city council spokesperson Dominic Llewellyn-Jones, the system put in place by the Government has led to only two families coming to the city.

He said: "Initially it will be two families that will be com-

ing to Oxford. Our original proposal was for 10 families but we understand that it wasn't possible."

A petition with 2,467 signatures was presented to a full Oxford City Council meeting on Monday in Oxford Town Hall.

Addressed to all six Oxfordshire local councils, it asks

them 'to give shelter, support and a fair hearing to refugees and asylum seekers in our community'.

City council leader Bob Price said: "The council takes this petition on board and promises to do as much as we can for these refugees that are fleeing persecution."

"The city has a proud history of welcoming refugees, and we have been working closely with Asylum Welcome and City of Sanctuary alongside other agencies in preparing to welcome and resettle them."

The council unanimously voted to make the recommendation to the council's executive board to address the petition.

Green councillor David Thomas called for a summit to take place involving all of Oxfordshire's councils.

However, Cllr Price rejected the recommendation, stating: "No. I don't think a summit would be helpful."

The families will be housed in private rented sector accommodation.

The costs are to be recovered from the Government.

## Grove medical centre set to merge with town practice

THE Grove Medical Centre is due to merge with Wantage's Newbury Street Practice from next year, in a move NHS bosses claim attempt will improve access to GPs.

NHS England announced the merger, set to happen from February 1, on Friday.

All patients at Grove Medical Centre in Vale Avenue will be automatically registered with the Newbury Street Practice in Mably Way - a mile away.

Director of commissioning at NHS England, Debra Elliott, said: "We understand some patients may be worried about these changes but we are positive that they will continue to receive great treatment and that this merger is set to improve primary care services."

Medical centre GP Dr Andrew Allen said patients would have access to more doctors, as well as extended opening hours on the first Saturday of the month and alternate Wednesdays and Thursdays.

Newbury Street Practice GP Rhodri Davies said: "We look forward to welcoming both staff and patients from the Grove Medical Centre to our practice."

## Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director James Miller feels that it's all about service. 'Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 10 year guarantee. But it's not just about saving people money, although that obviously helps.

Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which in a way is very sad for the service industry as a whole.'

Cloudy2Clear service Oxfordshire from their local depots and James is finding that his approach is a major factor in his success. 'The truth is that it's not just the personal

satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to show how much

a little bit of effort is appreciated.' So if your windows are steamed up, broken or damaged give James a call for a free quotation on 0800 61 21 118 and he'll be happy to help!

# Terrorism and A34 top new police chief's list of priorities

THE new police boss for the Vale of White Horse and South Oxfordshire has named terrorism and the A34 as high on his list of policing priorities.

Superintendent Rory Freeman took up the role of local police area (LPA) commander last week.

In his first press interview he said: "I've only been in the job four days and I've already had two calls from the public asking what I'm going to do about the A34."

"I'm going to get in contact with our roads policing department. I hear a lot about it."

"I would find it frustrating too

By Alex Ballinger

if I was stuck in traffic every day."

Supt Freeman moved to the Abingdon post from his role at Thames Valley Police headquarters in Kidlington as head of the criminal justice department.

He added: "Terrorism is a priority with the national security situation."

"Extremists live in communities and they have contacts in the community."

"I really don't think they live in our area, however we still want people to be vigilant."

Supt Freeman joined Thames Valley Police in 1992 and has worked in High Wycombe and Aylesbury as well as Oxfordshire.

From 2000 he spent five years training officers to manage protests and riots.

His interim predecessor, Acting Superintendent Jim O'Ryan, has returned to his role as deputy commander at Milton Keynes.

A/supt O'Ryan returned to his former role on December 1 as Supt Freeman took over.

He said: "Working at South and Vale has been brilliant; it's such a different LPA from Milton Keynes and so it's been an interesting and enjoyable experience."

"I'm very proud of the team at South and Vale and it's been privilege to lead them."

"I'd like wish Supt Freeman every success in his new role here, and while I'm sorry to be leaving South and Vale it will be good to return to Milton Keynes."

Supt Freeman added: "We have some challenges ahead as a force, but I'm looking forward to working with communities to address issues they're facing."

## Thousands grab their beards, belts and hats for charity Santa fun run

• The Santa's ahead of last year's run

OXFORD'S streets will be full of thousands of jolly Santas on Sunday as the city is turned red and white for an annual charity Christmas run.

Around 2,200 people dressed as St Nick will take part in the two-mile festive fun run in aid of Cowley-based hospice, Helen & Douglas House.

Festive fundraisers will run, walk or jog around the city centre, starting in Broad Street at 9am.

Helen & Douglas House fundraiser Poppy Hanbury said: "This year's event has been more popular than ever as we

have 500 more Santas than last year. As a charity we rely almost entirely on donations so support our families so your donation will make a big difference this Christmas to the lives of many families with children and young adults with life-shortening conditions."

The charity is looking to raise around £100,000 from the event, which would pay for seven days of specialist hospice care.

The Santas will be marshalled by 45 volunteers on the route dressed as elves.

They will gather outside the Sheldonian Theatre at 8.45am.

A NEW £700,000 gym and fitness centre is due to open in the grounds of Oxford Spires Academy in January.

The new centre with 35 fitness stations, called Oxford Spires Sport & Fitness, will open on January 4 at the school off Cowley Road.

# Great Expectations fulfilled at Dickensian Eve

ABOUT 5,000 people took to the streets of Wantage on Friday for the town's biggest Christmas celebration: Dickensian Evening.

Stalls and rides lined the streets in and around Market Place for a night of themed celebrations.

Mayor of Wantage St John Dickson and Wantage MP Ed Vaizey kicked off the festivities by flicking the switch turning on the town's Christmas lights.

## It feels like Christmas has really begun

Mr Vaizey said: "It was my first time turning the Christmas lights on.

"It's brilliant, everyone's out in force.

"It feels like Christmas has really begun."

Reindeer, donkeys and fair-ground rides got youngsters in the Christmas spirit as fancy dressed revellers donned their best Victorian top hats and canes for mulled wine and late night Christmas shopping.

Julie Knight, from East Chal-

low, was in Market Place just before 6pm with her two daughters Hannah, nine, and Jessica, six.

She said: "We only just got here but we've really been looking forward to it.

"There's loads here for the children. They love it."

Hannah said: "We're definitely looking forward to Christmas. I really like the donkeys.

The Wantage and Grove Community Volunteers group were all dressed up in authentic Victorian attire while manning their fundraising stall, which featured a tombola.

Volunteer Sylvia Crossman said: "It's a lovely evening but this year seems far better than before. The highlight is the whole evening. It's when the community comes together."

But Christmas cheer suffered a blip at about 10pm the next day when a driver, believed to be from Newbury, collided with an electricity box powering the Christmas lights, plunging them into darkness.

Thames Valley Police (TVP) spokesman Hannah Jones said:

"Police received a report shortly after 10pm on Saturday that a vehicle collided with a car and with an electrical unit in Wantage and left the scene.

"Some Christmas decorations were damaged and a bollard was bent."

She said a man from the Newbury area believed to be the driver has been spoken to by police and reported for failing to stop at the scene of an accident and careless driving.

No one has been arrested and the investigation is ongoing.

## Man jailed for stealing keys via letterbox

A MAN from a village near Woodstock has been jailed for over two years for stealing keys through a letterbox before he was found in the victims' garden shed.

• **Graham Crutch**

Graham Crutch, of Longore in Stonesfield, pleaded guilty to burgling a house and a non-dwelling last

Wednesday at Oxford Crown Court.

The 26-year-old reached through the letterbox of a home in Churchfields in Stonesfield and stole a set of keys on June 25 at 9.30pm.

A homeowner found him in their garden shed, before Crutch escaped by jumping over a fence into neighbour's garden.

He was arrested the same day and charged with the offences the following day.

Investigating officer, Detective Constable Kevin Middlecote, said: "Burglary is a deeply invasive crime and understandably has an impact upon those who are victims and local communities."

Crutch was sentenced to two years and five months in jail.

# 50 per cent increase in Oxford rough sleepers

OXFORD has seen a 50 per cent rise in the number of homeless people sleeping rough on city streets in the last year.

During an annual count last month 39 people were found sleeping on the streets, up from 26 last year - according to the figures by Oxford City Council.

Council spokesperson Chofamba Sithole said: "We know

By **Alex Ballinger**

that Oxford has overtaken London as the least affordable place for housing in the country and this is a contributing factor to homelessness in the city.

"People on low wages or insecure employment cannot afford to pay their rent, fall out of their accommodation, and end up

staying on a friend's sofa, or may end up on the street."

The council re-launched a campaign aiming to prevent the public from giving cash to beggars last week.

Killing with Kindness campaign was first launched in 2012 and encourages the public to donate to homelessness charities, rather than giving cash to beggars and rough sleepers on the street.

Oxford Homeless Pathways runs O'Hanlon House in Luther Street, which has beds for 56 homeless people and supports about 70 during the day.

It also runs Julian Housing, which has 150 accommodation units in Oxford and Abingdon. Chief executive Lesley Dewhurst, said she believes there are two main triggers causing the increase.

She said: "One is the effect of Government austerity measures; reductions in services that support vulnerable people and changes to the welfare system. "The second is the soaring cost of housing and the lack of affordable accommodation."

"This is pretty much across the nation. It's affecting the south-east much more because

of the cost of accommodation."

An online petition on campaign website Change.org has been launched calling on Oxfordshire County Council not to cut funding to homeless services.

Since it was set up last Tuesday it has gathered over 1,500 signatures.

Oxford's neighbouring towns have not seen the same rise in rough sleeping.

Vale of White Horse District Council counted five homeless people living on the streets this year, the same as last year.

South Oxfordshire District Council recorded a slight reduction from five last year down to three in this year.

Oxford city councillor Mike Rowley, who is responsible for housing, said: "The city council works closely with and funds Oxford's homelessness organisations, and we are committed to continuing support so that the city's most vulnerable people can be helped off the streets and into secure homes and jobs."

**OXON:** Parents who named their children Oliver and Elizabeth this year have joined an Oxfordshire trend.

Of the 7,989 births from January to November this year, the most popular names for boys were Oliver, George and Jack for boys and Elizabeth, Ella, Lily and Ruby for girls.

The figures were released last week by Oxfordshire County Council's registration service.

### Carol service

**OXFORD:** A homelessness charity held a Christmas carol service in Oxford's Oriel College Chapel last Wednesday night.

Over 120 guests attended the service led by Reverend Robert Tobin with music by the Oriel College Chapel Choir.

It was held by homelessness charity St Mungo's Broadway.

### Phone unit fire

**OXFORD:** Fire fighters were called to a battery fire at the BT telephone exchange in Headington last Thursday.

# RAF planes are on standby to support bombings in Syria

RAF Brize Norton planes are ready to help support air strikes in Syria, the Ministry of Defence has confirmed.

The airbase, near Witney, is on standby to send planes to refuel in mid-air those bombing ISIS strongholds, Ministry of Defence spokesperson Ellen McIvor told the Guardian last Thursday.

Bombing missions launched last week after MPs voted for air strikes in Syria in Parliament.

Oxfordshire's five Conservative MPs - including Witney MP and Prime Minister David Cameron - voted in favour of strikes in Westminster after an all day debate that ended with 397 MPs for strikes to 223 against.

Oxfordshire's only Labour MP Andrew Smith, for Oxford East, was the only Oxfordshire MP who voted

By Alex Ballinger and Loughlan Campbell

in opposition to the strikes.

Mr Cameron was the sole Oxfordshire MP to speak during the 10-hour debate last Wednesday.

Following the vote in the House of Commons, RAF Tornado GR4 aircraft carried out the first six strikes against ISIS-controlled oilfields in Omar, eastern Syria.

Ms McIvor, of the Ministry of

Defence, said: "Brize Norton are offering support with air to air fuel transfer and strategic air transport."

The oilfields are the main point of income for the extremist organisation according to the Ministry of Defence and several of these oilfields have previously been targeted by Britain's allies.

The Ministry of Defence has said the aircraft used advanced sensors to check no civilians were in the area and the strikes were 'successful'.

## Oxfordshire's MPs: their votes and their comments

Witney MP David Cameron:

**YES**

"This is not about whether we want to fight terrorism, it's about how best we do that. We must not use past mistakes as an excuse for inaction."

"I hope that at the end of it all, the House will come together in large numbers for Britain to play its part in defeating these evil extremists."

Oxford West and Abingdon MP Nicola Blackwood:

**YES**

"A vote to send our servicemen and women into conflict is one of the heaviest responsibilities an MP faces, and any decision on military action involves uncertainties."

"But in the end I believe those uncertainties are outweighed by the real threat that ISIL pose."

Oxford East MP Andrew Smith:

**NO**

"The situation in Syria is complex and dangerous."

"This requires a very careful and well thought-out response by the international community, and there is a lot more to do to get a credible strategy in place."

Henley MP John Howell:

**YES**

"There is no sense of triumphalism over the result. However, the decision was the right one."

"Voting last night was not easy. You cannot predict outcomes. But I know it was the right thing to do."

Wantage MP Ed Vaizey:

**YES**

"The terrorist atrocities in Tunisia, directly aimed at British tourists, and the recent attacks in Paris have brought terrorism to our doorstep."

"It is the government's responsibility to protect our security and keep Britain safe."

Banbury MP Victoria Prentis:

**YES**

"I have given this matter a great deal of thought over recent weeks, particularly since the horrific events in Paris."

"Throughout its history, the people of the United Kingdom have stood up to defend our values and our way of life. We can, and we must, do so again."

## News Bites

### Drug possession

**OXFORD:** A man has been sentenced to seven months in prison for possession of a Class A drug and obstructing police.

Otman Lamzini, 22, of no fixed abode, pleaded guilty at Oxford Crown Court on November 30 to possession of cocaine and obstructing police by giving false details about his identity.

He was arrested in Hythe Bridge Street in Oxford the previous day on suspicion of being wanted on a warrant for not appearing at a hearing at Oxford Crown Court in August.

He was charged the same day.

### Fly-tipping down

**OXON:** Fly-tipping in South Oxfordshire and the Vale of White Horse is down by 20 per cent and 26 per cent respectively over the last three years.

There were 27 prosecutions across the two districts in the past year, resulting in £25,000 of fines.

Both district councils state CCTV cameras played a big part in their investigations.

Cllr Tony Harbourn, cabinet member for environment at South Oxfordshire District Council, said: "These prosecutions send out a really strong message to anyone who's thinking of fly-tipping."

### Trapped man freed

**CLANFIELD:** Fire fighters freed a man whose legs were trapped when a construction vehicle he had been driving overturned last Wednesday.

Oxfordshire County Council Fire and Rescue Service were called to Bampton Road at 5.12pm and crews from Bampton and Kidlington stabilised the vehicle and gave the man first aid.

He was trapped under the roll bar of the vehicle, which was lifted using hydraulic equipment.

The man was then taken to Oxford's John Radcliffe Hospital by ambulance.

## WIN tickets to see Harlequinade in London's West End

THE first season of the Kenneth Branagh Theatre Company is now open, starting with a unique Terence Rattigan double bill, as Zoë Wanamaker appears alongside Kenneth Branagh in the uproarious comic gem *Harlequinade*, following her performance of the powerfully atmospheric one-woman play, *All On Her Own*.

*Harlequinade*, Rattigan's backstage farce is a comic treat and focuses on the author's first love - the theatre. It pokes fun at a fictional acting company whose intrigues and dalliances are revealed with increasingly calamitous consequences.

In a dramatic contrast, *All On Her Own* is both heart-breaking and sinister. Wanamaker gives a tour de force performance as Rosemary, who is alone at midnight in London with a dangerous secret. Also starring Miranda Raison, Tom Bateman, John Shrapnel and Jessie Buckley.

Don't miss your chance to see this special Terence Rattigan double bill. Garrick Theatre, 2 Charing Cross

## Win tickets to Guys and Dolls at the Savoy Theatre

**NATHAN** Detroit is desperate: he needs money for an illegal dice game, and he needs it fast.

Not to mention a 14 year engagement with night-club singer Miss Adelaide whose patience is finally running out. Enter notorious gambler Sky Masterson, a guy who can never turn down a bet, and straight-laced missionary Sarah Brown, a doll with a heart of ice. The wager: Sky has to romance Sarah by taking her to Havana for dinner and in return he'll provide a dozen 'sinners' for Sarah's mission. Surely this is one bet Nathan absolutely can't lose?

The sizzling New York tale of gamblers, gangsters and nightclub singers will leave you 'walking on air' (Daily Telegraph) with a glorious evening featuring some of Broadway's greatest show-stopping tunes, including Luck Be a Lady, Sit Down You're Rockin' the Boat and My Time of Day. With dazzling choreography by world-renowned Cuban ballet star Carlos Acosta and Andrew Wright

**Closing date:** Friday, Dec 18th

(Singin' in the Rain and Barnum), and direction from New York's Gordon Greenberg, this 'production leaves the whole audience purring with pleasure'. (Times) This is one feel-good show you won't want to miss.

A cast and orchestra of over 40 is led by Sophie Thompson as the long-suffering Miss Adelaide, David Haig as Nathan with Jamie Parker reprising his terrific Sky Masterson and Siubhan Harrison as the pious Salvation Army sergeant, Sarah Brown.

We have two pairs of tickets to this great show and to be in with a chance of

winning one just answer the following question:

**Q:** This production of Guys and Dolls comes to the West End after a sell-out season at which theatre? The Chichester Festival Theatre, Southwark Playhouse or Leicester Curve Theatre?

## Rebel Without a Clue, the Jester's Tale

'Rebel Without a Clue, the Jester's Tale' by Roger Crawford, tells the story of how Roger became embroiled in the Family Court system in Oxford in a battle to see his only child, and lost, leading him to protest on various roofs and stand for election in 2010 with his trademark Court Jester outfit.

An entertaining journey through his life, with many laugh-out-loud moments which contrast with the pathos of losing all contact with his daughter and his advice for others who may be in a similar position.

**Pull this Christmas Cracker! Isla says this book is a 'must read' and would make a great Christmas gift for anyone with a sense of humour. Available on Amazon at £8-99 and all good (and some not-so-good) bookshops.**

## New Horizons in Hearing

The new hearing aid from Widex pushes the barriers of performance. **WIDEX UNIQUE** takes digital processing to a new level to capture more sound than any other hearing aid on the market and is now available at **Keith Donaghy Hearingcare**.

I AM **UNIQUE**

**WIDEX UNIQUE™**  
LIVE LIFE LARGE

## Supreme sound quality in any environment.

Hearing soft sounds is particularly important for users but even more important is determining which are useful and which are not. **UNIQUE** is the only hearing aid that ensures important soft sounds are maintained and unwanted soft sounds are removed.

The powerful **soft level noise reduction** system reduces the soft sounds users do not want to hear while retaining the audibility of soft speech. And it determines the difference between speech and noise (particularly background noise) without any compromise in speech intelligibility or comfort.

## The best wind noise reduction in the industry.

For users to truly enjoy being outdoors, it is essential that they can hear clearly no matter the conditions. **The wind noise attenuation** system in **UNIQUE** provides users with documented improvement in hearing speech and environmental sounds in the presence of wind noise.

## Full connectivity

All unique hearing aids are compatible with the DEX range of communication accessories that provide full connectivity to mobile phones, remote controls, TVs and more.

## Christmas with Jarred

CHRISTMAS is coming to Oxford early this year.

Kiwi comedian Jarred Christmas will be stopping off at The Glee Club next Thursday, December 17, for a run of shows until Saturday, December 19.

And he will be joined in Hythe Bridge Street by fellow comedians Tom Wigglesworth, Mickey D and Kevin McCarthy as part of this month's 'Live Comedy - Christmas Party Night' at The Glee Club.

Jarred told the Guardian: "The audience can expect banter, anecdotes (don't worry, I've beefed them up with jokes) some dancing, my thoughts on monopoly, orange chocolate brownies and jokes.

"The show is about the adventures of being a parent whilst travelling all over the place due to this comedy lark.

"There will also be a lot of stories from my awkward teenage years."

Jarred made his stand-up debut in his native New Zealand about 17 years ago.

And having appeared on UK favourites such as 'Never Mind the Buzzcocks', 'Mock the Week' and

By James Richings

'Russell Howard's Good News', the 34-year-old is now a very familiar face on British television.

He also was a guest on BBC 3's 'The 2010 World Cup's Most Shocking Moments' despite not having a massive interest in the sport.

"Most of my mates love football and I have a respect for it, but I'm more of a rugby guy and recently I've been getting into the NFL," he said.

"I like winding certain mates up about football by calling a team's kit their uniform. It's hilarious how annoyed they get."

Despite the festive name, Jarred promised no jokes will be thrown towards his ironic surname.

"No Christmas jokes will be based around my name..."

"However there is a story about dealing with my surname when I was at an all boys' high school."

Jarred will be performing six times at the comedy club during the three day run.

Tickets cost from £16 to £32.

The show is suitable for anyone over the age of 18.

• Jeremy Hardy

## A night with Jeremy Hardy

**A FUSION of comedy and politics will take the stage when comedian Jeremy Hardy visits the Chipping Norton Theatre on Tuesday, December 15.**

The 54-year-old veteran comedian of 31 years visits the Spring Street venue as part of his autumn and winter UK tour.

And approaching the halfway point, Jeremy admitted he does not actually really mind if people don't bust a gut giggling at his gags, just as long they show up.

"Audiences don't have to laugh – they just have to turn up and pay," said Jeremy.

"I'm not demanding money from them on JustGiving so I can take a two-week holiday to Barbados in aid of Indigestion Awareness."

By James Richings

He added: "I like the fact that my live stuff is there and then it's gone, to be forever misquoted by the people who were there."

"I also love the fact that it can never be repeated."

"Each night is a unique experience, a complete one-off."

Jeremy's comedy started just after he graduated from University of Southampton with degrees in modern history and politics in the early 1980s.

After appearing at the Edinburgh Fringe Festival 1988, in which he won the Perrier Comedy Award, Jeremy's entertainment career took off.

He is well known for appearing

on a number of radio shows such as 'The News Quiz', 'I'm Sorry I Haven't a Clue' and 'Jeremy Hardy Speaks to the Nation' on BBC Radio 4.

"The great thing about doing a live show is that it keeps evolving as I keep changing and developing it," he said.

"It won't be the same at the end of the tour as it was at the beginning and stand-up is not like other art forms."

"When you've done a painting and sold it, you can't keep going round to their house and adding bits. That would be a bit strange."

"It would also be burglary, not to say criminal damage."

Tickets cost £15, or £6 for concessions.

The show starts at 7.45pm.

### Gospel Choir

THE Oxford Gospel Choir will be performing at the Cornerstone Arts Centre in Didcot on Saturday, December 12.

They will perform a number of traditional and contemporary gospel songs, with well-known Christmas hits included in the programme.

Tickets cost from £8 to £12.

The show starts at 7.30pm.

### Movie night

THE 2015 film 'Suffragette' will be screened at The Theatre in Chipping Norton on Sunday, December 13, and Monday, December 14.

Starring Carey Mulligan, Helena Bonham Carter and Meryl Streep, the film focuses on the secret growing suffragette movement in the UK during the late 19th and early 20th centuries.

Tickets cost £8 or £6 for under 16s and both screenings start at 7.

### Poetry evening

AN open poetry mic night will take place at the Mill Arts Centre in Banbury tomorrow, December 18.

Presented by poet Beatrice Boulevard, it costs £3 for performers and £6 for audience members.

The sign-up starts at 7pm and the event starts at 8pm.

## Performer Murphy aims to help keep live music going

AN evening of acoustic tracks from the 1960s to the present day will entertain music fans when musician Murphy James performs at The Head of the River pub in Oxford this Saturday, December 12.

The gig will be one of many for the full-time performer throughout the autumn and winter months as Murphy performs in pubs, clubs and bars in towns including Bracknell, Windsor, and Wraysbury.

However, despite being a successful musician, Murphy revealed to the Guardian that performing for a living had been unintentional.

"I've always loved music passionately but I kind of fell into doing it for a living by accident," he said.

"I got a couple of gigs and found myself suddenly having to buy a diary.

"Also, I think it is extremely important for live music to remain a big part

By James Richings

of our culture and in order for that to happen, the next generation needs to have an appreciation of it."

An honest musician who plays from the heart, the Slough-based singer has been performing since the age of 17, leading to Murphy becoming one of the most recognisable acoustic performers in the country.

His versatility to perform well-known hits from previous decades along with his own material has landed the musician gigs at a number of well-respected events and venues.

Murphy has also seen the release of his debut album, entitled 'A Life Led by Snakes & Ladders', which he confirmed as being '100 per cent my own material'.

His talent has seen him become the resident musician for the Ministry of

Defence at Victoria (Windsor Castle), Wellington (Buckingham Palace) and Aldershot Barracks.

The musician admitted that there would be a touch of improvisation about his performance on Saturday night.

"My repertoire consists of over 2,000 songs from 1960s to now, so I generally tend to play to whatever floats the boat of the audience," he said.

"I always take requests so the night's music is generally in the audience's hands."

He added: "My musical inspirations are all the people out there that keep music live. I'm not one for backing tracks or drum machines, just pure live music."

"I never actually have a set playlist. I just go with the flow of the evening and see where it takes us."

The gig is a free and starts at 8.30pm.

**James Cook** is a professional comedian based in Birmingham, UK, with over 1,000 gigs worth of experience as an act and compere. His act mixes jokes and sarcasm with a quick wit and excellent improvisation skills that make him an accomplished compere.

"His quick tongue and dry sense of humour kept me laughing" - **BBC Tees**

**Pierre Hollins** relaxed amiability is defined by a compelling conversational style and absurd guitar posturing. His 'songs' are jokes, set to a guitar back beat, never travelling down the easy route of song parodies. He covers topics from love and hate, to sex and politics.

## Headline Act

**Otiz Cannelloni** combines the illusion of magic and the wit of stand up to produce a hybrid comic creation. With a mind more suited to testing crash helmets, his performance fluctuates between sheer genius and downright stupidity.

Just when you suspect he doesn't have a clue, Cannelloni removes all doubt. When this man is on stage the dressing room empties, as the rest of the comics rush to watch and learn from his mistakes. It's taken years of practice to make something so simple look so difficult.

Despite various television appearances - **The Stand Up Show BBC 1** - **Stuff The White Rabbit BBC 2** - producers are prepared to forgive and forget, mostly forget.

**MR HOLMES**  
Academy Award nominee Ian McKellen excels in the iconic role of Sherlock Holmes. It is 1947 and the world famous sleuth has retired to a remote Sussex farmhouse, living in relative anonymity with only his housekeeper Mrs Munro and her young son for company. Cantankerous, demanding and frustrated with the misrepresentation of him in Watson's best-selling novels, he diverts his attention to an unsolved case. As the mystery deepens, Sherlock tries desperately to recall the events of 30 years ago which ultimately led to his retirement.

## New Nissan on sale next month

**AFTER** winning the International Pick-up of the Year Award earlier this year, the brand new Nissan NP300 Navara will be available to buy in the UK from January.

Building on Nissan's 80-year pick-up heritage, the NP300 Navara comes in five trim grades – Visia, Acenta, Acenta+, N-Connecta and Tekna, priced from £18,376.

It is available in either a double cab or a king cab design with a 2.3-litre dCi engine, and Navara comes in two or four-wheel drive with a six-speed manual or seven-speed automatic transmission.

One of the new safety features in the truck is the forward emergency braking on all double cab models, with the pick-up also having driver, passenger, side and knee airbags.

The model also introduces a host of new features, which includes a five-link rear suspen-

sion for the double cab model and a load bed 67mm longer than the previous model.

James Wright, managing director of Nissan Motor Great Britain, said: "The NP300 Navara is a strong product offer in terms of innovative technology, superior on-road and off-road capabilities, engine performance and payload capacity."

"Now we have made this award-winning pick-up even more desirable to customers with highly competitive deals on both finance and servicing to make ownership as attractive as it will be rewarding."

All models in the range benefit from a full manufacturer five-year/100,000 mile manufacturer warranty, whilst customers have the flexibility to tailor their vehicle so that it can meet the requirements of the most demanding of lifestyles.

# Yellows now one round away from Wembley

OXFORD United moved to within one round of a historic encounter at Wembley following a nervy 3-2 win over Yeovil Town at the Kassam on Tuesday night.

It's been a momentous few days for the U's after a 1-0 win over Forest Green Rovers on Saturday led to them being drawn with Premier League side Swansea City in the third round.

Debut goals from Jordan Evans and Chris Maguire were the highlight of a memorable evening during which Oxford fought off a valiant Yeovil side to qualify for the Johnstone's Paint Trophy Final.

Evans was just three minutes into his first senior start when he decided to let fly from 35 yards out. Which Yeovil keeper Chris Weale was powerless to keep out for a superb opener.

The 20-year-old slotted in at left back in a refreshed Oxford United backline with 'keeper Sam Slocombe recalled.

However, on 36 minutes, Yeovil got a response through Wes Fogden who was played in expertly by Ben Tozer and placed his shot past Slocombe.

By **Loughlan Campbell**

Callum O'Dowda, who was superb all night, put Oxford back in front on 42 minutes converting from six yards after Yeovil failed to clear.

After the break Maguire could have snatched a penalty but the referee ruled he lost his footing.

He got his reprieve on 54 minutes when he was squeezed into area by Alex MacDonald before the loanee smashed home from close range.

The U's then set up to close Yeovil off for the rest of the game and nearly went further ahead through MacDonald, who powered a rising effort from 30 yards over the bar.

There were some nerves for United in injury time after Shaun Jeffers found a second, but the Yellows managed to hold the Glovers off to secure the win.

United will now take on League One side Millwall in the Southern Area final with the advantage of having the 2nd leg at home.

The 1st leg of the tie will be in the week commencing January 11.

## Millers up to third with big Totton victory

NORTH Leigh laid waste to A.F.C. Totton in an comprehensive 5-0 victory at Eynsham Park on Saturday.

The Millers' made it two wins in two from the encounter where they went ahead after they went in front with just three minutes on the board through Kieran Sanders.

The forward picked up a ball from 'keeper James Foster which he chased on to before sweetly executing his finish into the net.

With 24 minutes on the clock it was two after a ball into the box was cleared to the edge of the area for Elliot Osborne-Ricketts to fire home.

Following half-time, a relaxed Leigh side headed out to continue their dominance and on 74 minutes they made it three after a Michael Hopkins free-kick took a wicked deflection off a defender and somehow curled into the net.

A few minutes later Callum McNish's effort was parried out to Osborne-Ricketts on the edge of the box and the forward hammered home to make it four.

Morgan Williams then rounded out the scoring for the Millers, clipping an effort past Totton's on-rushing keeper at the finish.

# Oxford's teenage figure skating star wins gold

A 15-year-old Oxford figure skater has been crowned national champion at the 2015 British Figure Skating Championships.

The tournament, which was held in Sheffield last week, saw Daniel Weston crowned champion in his category of Basic Novice B Men.

Daniel faced off in a competition which saw 222 skaters compete, aged from seven through to 30.

He fought off six skaters within his own category to skate to victory, scoring 41.21, finishing six points ahead of second place, Jamie Tsang.

The championships are a prestigious and also saw the likes of Olympians Nicholas Buckland and Penny Coomes compete.

They took home the gold in Senior ice dancing.

Jamie finished on 35.63 points only just ahead of third-placed Joseph Zakipour, 34.51 points, showing the magnitude of Daniel's achievement.

In the other categories, English skater Phillip Harris took home his second national title with the gold medal in the senior men's category and Basingstoke's Danielle Harrison won the senior women's category.

# Roofe keeps cup dream alive

OXFORD United talisman Kemar Roofe fired home an FA Cup winner as the U's secured a 1-0 win over an angsty Forest Green Rovers side in the second round of the cup at the Kassam Stadium.

The U's were poor beyond measure in the first half but upped the ante in the second half with Rovers' keeper Steve Arnold having to be forced into save after save.

Roofe's goal came with 15 minutes to go in a slick piece of United play to grab his 12th goal of a season in which he has been a revelation for the Yellows.

A fantastic cross-field run from Roofe freed up Callum O'Dowda on the left hand side who was then bundled over by Dale Bennett on 9 minutes however the free-kick was too far for Johnny Mullins to get a header on.

Forest Green then built a strong chance after Carter curved the ball in on 20 minutes but it was straight into the arms of Buchel as the away side grew in confidence in the Oxford box.

Carter then managed to wrestle a chance in midfield after Chey Dunkley couldn't close

By Loughlan Campbell

down the tall forward and his shot from range was a couple of inches over the bar.

Liam Sercombe very nearly put the U's in front into added time in the first half with a powerful effort from just outside the area clawed over by Steve Arnold as the teams headed into the changing rooms.

The second half started off with both teams looking for more time on the ball in the opposition's half and Danny Hylton worked in a effort on 47 minutes which went straight into Arnold's arms.

Roofe finally bought himself time on the ball but after taking his time to pick his spot from outside the box, he curled an effort over the bar with the U's growing frustrated.

Roofe then played a free-kick from 25 yards just to the right of Arnold's post.

Finally, with 76 minutes on the clock the goal came as Roofe fired home after turning on the ball outside the box with his gorgeous effort curling into the bottom left hand corner, to keep Oxford going on three fronts.

## Blues held at Eastbourne

OXFORD City were held to a 1-1 draw with Eastbourne Borough as Bradley Bubb scored his 12th goal of the season for the Blues.

City played into a fierce wind in the first half but were able to get a good grasp of possession despite Laurie Walker having to prevent Eastbourne's Gavin McCallum on the 20 minute mark.

The hosts were then denied an opener after Nathaniel Pinney had an effort ruled out for offside.

However, just after the half time mark, Luke Coulson set up Bubb to hammer home the opener.

Marlon Jackson was then very close to making it two for Oxford but his pacy effort were tipped over the bar by 'keeper Lewis Carey.

Jackson then had another shot blocked by Marvin Hamilton as they sought to extend their lead.

Shortly after the restart, a big appeal for a penalty was turned down for Eastbourne's Darren Lok, who was booked for diving.

Although, six minutes later, Eastbourne had their penalty after Kynan Isaac mistakenly bundled over Sam Beale.

Ryan Worrall fired the spot kick home into the corner to seal the draw for Eastbourne.

## Didcot dominant in 3-0 win

• Didcot's Jack Powell (middle) in action this season (picture by Roger Neal)

DIDCOT Town put in a blinder of a performance to mark Ian Concannon and Jamie Heapy's final game in charge in a 3-0 win over Bridgwater Town at the Loop Meadow Stadium.

The opener came from Mark Janes in bizarre fashion as he sent in a curling cross into the box which luckily wrong sided the Bridgwater 'keeper and sailed into the top of the net.

Didcot kept a good hold of the ball and restricted the Somerset-side from causing a nuisance to the Diddy back four.

It was early on in the second half that the home side grabbed their second when a cutting pass from Lance Wil-

liams was played into Oxford United loanee George Jeacock who flashed it home from six yards.

It was a game that the Railwaymen seemed to coast through and 17-year-old Jack Powell buried his fifth goal of the season for the side late on to seal off the win.

The goal came twenty minutes from time when the teenager was put in by Janes and the youngster dispatched brilliantly.

The result means Didcot are 12th in the Southern League Division One South & West table, ten points off the play-off spots.

## Quins unbeaten in five in strong run

OXFORD Harlequins made it five games unbeaten with a fantastic 36-13 win over Trowbridge at Marston Ferry Road on Sunday.

The Quins ran in six tries over the course of the game as they pushed up the South West 1 East table and the victory lifted them to seventh in the table.

The result capitalises on their 22-0 win over Swindon the previous Sunday in which the Quins raced into an 8-0 lead after 25 minutes through a penalty from Jack Robinson and a Jack Crowe unconverted try.

Shortly afterwards the Quins were up to 15-0 when Adam

Neal drove over the line with Robinson kicking the conversion true before the half time whistle.

Swindon got themselves into better positions in the second half but just weren't clinical enough and Oxford made them pay.

Oxford's control over the game eventually weighed them down and on 74 minutes Charlie Ward crossed the line and Robinson once again added the extras.

The Quins are now on 31 points, level with the Newbury Blues, following their recent purple patch of form that has seen them surge up the table.

## Witney storm past the Swans

WITNEY RFC proved to be too strong for Swanage and Wareham to deal with in a 47-12 crushing win in West Oxfordshire.

George Lewis opened the scoring for Witney within the opening ten minutes after he was put through by flanker George Lane.

The home side then missed a penalty before Witney grabbed their second try of the day through winger Rhys Morgan who crossed in the corner.

The Swans then hit back through David Elford crossing the line from 10m out before Henry Lamb kicked a penalty for a half-time score

of 15-5.

Witney's Charlie Bennett then broke through the Swans defence with a charging run before second row Matthew Webb scored just left of the posts with Lewis converting true.

Another try swiftly followed through Morgan in a strong team move from the home side to make it 30-5.

Centre Matt Clarke then broke free, side-stepping and outpacing the opposition to touch down under the posts, with Lewis converting once more.

A quick penalty then saw hooker Sam Collins cross for another try before the Swans

hit back through hooker Robert Elford and Phil Graves converted.

Morgan then completed his hat-trick of tries through a long pass from Lamb.

Sam Collins was voted man of the match for Witney in a well-deserved result that followed a 27-16 defeat to High Wycombe when before they had recorded three consecutive wins.

Up next is a contest with fellow Oxfordshire side, Grove away on Saturday before they entertain the league leaders Salisbury in the last fixtures of 2015.

The ties will certainly test Witney.

## Sport Bites

### Non-league round up

**FOOTBALL:** Kidlington's 3-1 win over Brackley Town Saints on Saturday continued their winning form as they remain third in the Hellenic Premier.

Milton United then took on the Saints on Tuesday and managed to better them in a 3-2 final score at the Heights.

Whilst Oxford City Nomads fell to a 2-1 defeat to Bracknell Town at Larges Lane on Tuesday.

Kidlington were playing Royal Wootton Bassett as we went to print last night.

### Tight result

**HOCKEY:** Oxford Hockey Club's 1's were embroiled in a tight 3-3 draw at OMT in the MBBO Regional 1 on Saturday.

The 2's were victorious in a 4-2 win over Wallingford 1's with Ben White, Dan Smyth and a double from Louis Schuchmann rounding out Oxford's goals.

### Drop in form

**ICE HOCKEY:** It was a poor weekend for Oxford City Stars after they fell to tow defeats in the NIHL South Division 1.

London Raiders blew past Oxford on Saturday in the capital in a 7-4 win before the Stars were condemned to a 3-8 defeat at Oxpens Road.

The Stars have dropped to fifth in the division following the defeat, four points off Invicta Dynamos in fourth.

Up next for the Stars is a single match this weekend as they take on Invicta Dynamos in Gillingham in Kent on Sunday.

# "THIS CLUB IS IN MY BLOOD"

## Didcot Town's joint managers step down in shock exit

DIDCOT Town's joint-manager Ian Concannon has expressed his sadness at walking away from the club after he and Jamie Heapy announced they are stepping down from their roles on Tuesday.

Concannon ended his 13-year association with the club citing 'personal reasons' following Didcot's 3-0 win over Bridgwater Town that night.

The former Diddy player starred for the club over eight seasons, before taking on the assistant coach role and then leading the club with player-manager Heapy for two years.

**"We were taken on as rookies and I'm proud of all we've achieved"**

Heapy, known as 'Mr Didcot', has had a career with the club spanning 20 years and 10 trophies although he's yet to make a decision on his playing future.

Concannon told the Guardian: "I'm disappointed. I never thought I would have to make this decision to walk away. This football club is in my blood."

"I'll be clear, this is nothing to do with the football club. I have left for personal reasons."

"It was hard to combine other

things in my life with football."

The duo told chairman John Bailey of their decision after Saturday's 3-0 win over Bashley.

Their achievements as managers include the historic FA Cup first round encounter with Exeter City last month and their high-league finish in the Southern League Division One South & West last season.

Concannon highlighted these as his achievements, stating: "I believe we have done very well. Jamie and I were taken on as rookies and I'm very proud of all we've achieved."

Jamie echoed his friend's comments and said: "We started this together and we're ending it together, it's very sad for us."

A statement from the club said: "We would like to extend an enormous thank you to both Ian Concannon and Jamie Heapy for their tremendous commitment to the club."

We wish them the best in their new ventures."

Player Andy Ballard is set to take over in a caretaker role, assisted by Andy Sinnott.

Concannon said of Ballard: "He will do a wonderful job. He has our respect and that of the players and he will do very well."
